

EXPO 2022 Tradeshow Freight & Liquor Advisory

Freight Advisory:

Freeman has the responsibility of receiving and handling all exhibit materials and crates for EXPO 2022. Access to loading docks at Bally's Las Vegas Hotel & Casino is controlled by Freeman for a safe and efficient move-in and move-out. **Freeman can be reached at (702) 579-1400.**

Exhibitors may hand carry display materials, if the materials can be brought into Bally's in one trip, but exhibitors can not use the freight docks unless their material is handled by Freeman. The use of dollies, flat trucks, and other mechanical equipment is not permitted by exhibitors. Freeman is not responsible for any material they do not handle.

Freeman handling charges (drayage) are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Please see the Material Handling form on the Freeman EXPO 2022 website like (coming soon).

- Freight deliveries sent directly to Bally's Las Vegas will be received by Freeman on exhibitor move-in days only.
- Freight deliveries sent directly to Bally's Las Vegas are subject to Freeman freight handling charges regardless of the consignee as Freeman is the official show contractor.
- If your freight arrives at Bally's Las Vegas prior to the published move-in dates, the facility will take possession of the item(s) and charges will be incurred from the facility in addition to Freeman material handling charges.
- Advanced shipments (arriving before August 5) should be sent and labeled as follows:

Liquor Advisory:

Bally's Las Vegas is the sole provider of food and beverage on property. However, they will allow EXPO 2022 Exhibitors to hand out samples at their booth. They will not charge exhibitors a corkage or service fee for handing out beverages or food items (for products manufactured or produced by the exhibitor) as long as the samples are two (2) ounces for beverages and one (1) ounce for food.

If you are handing out a full beer, a full glass of wine, a full cocktail or a full bottle/can of water or an energy drink, you will be charged a corkage and service fee. Also, if you are handing out alcoholic beverages from your booth, you will need to hire a Bally's bartender to handle the alcoholic beverage (it's the law).

To reserve a Bally's bartender for your booth, to check on corkage and service fees, or to order ice or other related items, please contact Lauren Pries, Meeting & Event Services at Bally's at (702) 777-6766, lpries@caesars.com
